SCOTT / ST. LOUIS CHAPTER
2014 SCHOLASTIC AWARDS INFORMATION**

The Awards

The purpose of the NDTA Scott/St. Louis Chapter scholarship program is to promote careers in Business, Transportation Logistics, and Physical Distribution. Although all students may apply, preference will be given to students pursuing these and related courses of study.

The Scott / St. Louis Chapter of the NDTA intends to award a minimum of two (2) scholarships of \$4,000 each and two (2) scholarships of \$2,500 each for recipients enrolled in an accredited bachelors or graduate degree program in 2014. An additional award of \$1500 is set-aside for students enrolled in a two-year associate degree or trade certification program. Additional awards may be granted pending availability of funds. Scholarships are open to any high school student that meets the eligibility criteria. One of the \$4,000 awards is set aside for immediate family members of active members of the Scott / St. Louis Chapter of the NDTA. All scholarship applicants will compete under the rules outlined below.

Eligibility

High school applicants must reside in Illinois or Missouri. College students must be enrolled as a full-time student at an accredited institution in a state within the NDTA's Central Region (CO, IA, IL, IN, KS, MI, MN, MO, MT, ND, NE, SD, WI, WY).

There are no residency criteria for immediate family members of active members of the Scott/St. Louis NDTA Chapter. For consideration as an immediate family member, the member must be an active member of the Scott/St. Louis Chapter of NDTA on March 1, 2014 and must remain an active member when each of the two award installments is paid during the 2014-2015 school year.

Applicants must be high school seniors graduating in the spring of 2014, or full-time college students. College students may be enrolled in any field of study, but priority will be given to those in a degree program related to business, transportation logistics, or physical distribution.

Award recipients will be notified by letter and invited to attend an NDTA awards ceremony to recognize their achievement before the association membership.

Disposition of Award Money

The monetary award will be sent to the recipient's college or university and be paid to his or her account for the express purposes of tuition, books and fees, and college sponsored room and board. Prior to dispersing this money, the NDTA Scholarship Committee must receive written notification from the institution stating the following:

Awards will be dispersed in two increments. One half will be sent at the beginning of the first semester or quarter.
